About the Course:

Gender controls options, conditions, and experiences of people in our society. Legal, political, economic, cultural, and kinship systems are all profoundly influenced by gender division and sexual orientation of our society. Deep understanding of gender patterns, dynamics and biases can broaden the accuracy and scope of work in different fields including workplace. Gender awareness benefits individuals, communities and organizations as well as social wellbeing as a whole.

Course Outcomes: On completion of the course students will be able:

- To sensitize themselves regarding different issues of gender in our society.
- To aware themselves with respect to the concern of sexual minorities in our society.
- To broaden their mindset regarding the issues of transgender community in our society.
- To be empathetic in respect of the issues of gay, lesbian, bisexual and queer groups in our society.
- To differentiate between gender, sex, sexuality and sexual orientation in our society.
- To be aware of the issues regarding women in our society.
