ABOUT THE COLLEGE:

Asannagar Madan Mohan Tarkalankar College was established in 2007 and affiliated to the University of Kalyani. It offers both general, honours and Major courses in humanities. Although our college cannot boast of a large building or other amenities that are found in neighbouring college, it is proud of its resolute teaching faculties. With a dedication the employees of the college have been successful in setting up its reputation as well performing institution among the colleges affiliated to the University of Kalyani.

ABOUT THE SEMINAR:

South Asia is a region of immense geographical importance due to its location between Bay of Bengal and Arabian Sea. It is the southern part of Asia and includes Nation States of Afghanistan, Bangladesh, Bhutan, India, Nepal, Pakistan, Sri Lanka and Maldives. It is a country with rich cultural heritage. Explosion of population is the prime concern of the South Asia. The growth of population in South Asia has heightened socio-economic problems of the region. It results in depletion of natural resources as well. Apart from identifying the problem areas, the seminar seeks to suggest certain areas that would help to overcome the disparities and promote investments in small and medium enterprises. So far as e-commercial readiness is concerned, the region lacks far behind. So greater cooperation and assistance among South Asian countries and inclusion in global e-commerce arena are the prime concerns.
